SUBJECT: Illinois Wireless Information Network (IWIN) Information Sessions

You are cordially invited to attend an informational session introducing the new Illinois Wireless Information Network (IWIN). IWIN is the result of a unique partnership between the State of Illinois, Ameritech Cellular and Software Corporation of America. The new network can be utilized by state as well as local government, and soon will become one of the largest public safety mobile data networks in the country.

The new network is capable of providing your agency with immediate access to a number of mission critical applications. The following information sessions about IWIN will be conducted on the following dates and times:

Tuesday, August 1, 2000

9 a.m. - noon and 1 p.m. - 4 p.m.

**Room 203, LLCC Capital City Center
130 West Mason Street, Springfield**

Wednesday, August 2, 2000

9 a.m. - noon

**Room 202, LLCC Capital City Center
130 West Mason Street, Springfield**

Representatives from the Department of Central Management Services, Ameritech Cellular, Software Corporation of America and CDS Office Technologies will be on hand for demonstrations and to answer your questions.

To register for any of the above sessions please fax the attached form to Jeff Skeels at (217) 524-0755. Please feel free to invite any of your staff members or colleagues who might have an interest in this mobile data technology.

Additional information on IWIN can be obtained by visiting the IWIN website at: <http://www.state.il.us/iwin>. If you have any questions regarding the network or the upcoming information sessions please contact Jeff Skeels at (217) 782-9495.
